

ICE guides

Note

The ICE guides are intended to be used as a reference only and are continually being updated. It is important to note that the instructions may not match the version of either ICE, OpenOffice.org or Word that you are using.

User guide (ICE version 2.0)

The ICE user guide is structured mainly for USQ staff members. However, it has been written to be a general guide for using ICE.

Please note the user guide is current at the time of writing and may not contain instructions for any new or changed features in ICE, OpenOffice.org or Word since the time it was written.

Technical guides

The ICE technical guides are a work in process and aims to cover all things relating to ICE to assist with the maintenance of skin, templates, Subversion repositories etc and are listed in the left-hand navigation.
